Silent Auction at R.A.D. to benefit
Concert of Love 2010: Visions of Hope
January 1, 2010

Dear Dance Families, Business Owners, Supporters of the Arts, Dancers and Dreamers,

In six months, the most anticipated event of the season ~ *Concert of Love 2010: Visions of Hope* ~ will become a reality. The event that educates, empowers, and entertains hundreds of dancers and dance advocates is currently in preproduction. Our dancers are learning their creative choreography, breathtaking costumes are in production, light design is “in the works”, and most of all, our dancers are pouring out their hearts and souls and embracing their artistic development.

Retter’s Academy of Dance is proud to announce their 2nd Silent Auction to benefit the production of *Concert of Love*. The Silent Auction will be held the week of March 15-20, 2010. Retter’s Academy of Dance is seeking Silent Auction items! If you or your business would care to provide a Silent Auction item(s), you will receive a complimentary business card placement in the *Concert of Love Souvenir Program*.

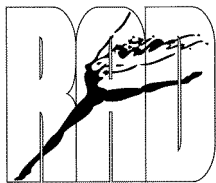

We thank you, in advance, for your generosity and support of *Concert of Love 2010: Visions of Hope* Silent Auction. Please submit auction item(s) and business card (for program) on or before Thursday, February 25, 2010.

Please feel free to contact Linda Bernabei-Retter at 818.889.5774 or email Linda@retterworld.com with any questions or Silent Auction ideas!
